

The Town of Plympton-Wyoming
PUBLIC NOTICE
HERBICIDE USE

The Municipality of Plympton-Wyoming intends to control weeds and brush along its rural roadsides.

Herbicide used will be DIPHENOPROP BH700 (or equivalent) P.C.P. #16724 under the Pest Control Act (Canada).

Applications will commence May 18, 2009 and will be completed by June 19, 2009.
